

## What is the 1994 Circle?

Donors to the 1994 Circle are concerned about the safety of children in our community and are committed to helping Kidpower train kids to stay safe from abuse, assault, abduction and bullying. Commemorating the year that Kidpower of Colorado was founded, the 1994 Circle's vision is for every child to be safe and secure, regardless of financial means. This money will be used where it is needed to best fulfill that vision.
